## **Tourist—and local!—information**

As the name suggests, we provide information, not only for tourists, but for local people too. We work for Babergh and Mid Suffolk District Councils and part of our role is promoting the Heart of Suffolk as a tourist destination.

We can also help local organisations, attractions and businesses to increase their custom and visitors. We have a whole wall of poster space, and can display event fliers in our leaflet racks. We have a board available to publicise any special occasions, and we regularly use Facebook and twitter to share information about our area.

There are lots of fantastic events in the area this month; The Suffolk Show on 1—2 June, Museum of East Anglian Life Blues Festival on Sat 11 June and the Queen's 90<sup>th</sup> Birthday celebrations at St Peter and St Mary's Church in Stowmarket on 4—12 June. Buxhall holds their Flower Festival on 11—12 June with a 'Proms in the Church' to celebrate the Queen's birthday on 10 June.

Suffolk Open Studios is every weekend in June and includes around 30 Studios and Galleries in the Heart of Suffolk. We sell tickets for fundraising events and concerts, and take bookings for Suffolk's Year of Walking. Local guided walks are in Mendlesham (4 June), Debenham (15 June) Needham Market (17 June) and Gosbeck (22 June). We are also agents for National Express Coaches and front of house for the Museum of East Anglian Life.

If you have an event that could do with some extra publicity, bring us a poster or pop in to ask about a bigger display on our board. Contact us by phone (676800) or email [tic@baberghmidsuffolk.gov.uk](mailto:tic@baberghmidsuffolk.gov.uk) to see what else we could do to help. We are opposite Asda , just up the hill.

Sue Green

## **From the Rectory**

10 May 2016 was a significant day in the life of the Christian community in Stowmarket as it saw the official opening of the first new Church of England School in the Diocese for over 40 years and the first ever in Stowmarket. Trinity CEVAP School has 41 pupils and another 30 are expected in September from which we expect it will grow to over 300, filling the magnificent facilities of the former Combs Middle School. Bishop Martin, the Mayor of Stowmarket, local headteachers and other dignitaries engaged with the children for a memorable opening service in the school.

The night before I attended Great Finborough Parish Annual Meeting to hear reports on village activities and organisations. The Chair of Governors of Finborough Primary Church School , Mr Jamie Warner, explained how it was significantly oversubscribed because of its outstanding reputation for academic and spiritual development, as well as the opportunities it gives children for sport and outdoor activities. Very well done to Mr Stephen Dodd at Great Finborough and Mrs Linda Curran Spain at Trinity, who with their teams give our children a remarkably good start in these two church sponsored schools.

The Revd Rachel and I visit them both regularly and we remember when access to schools was easy – no security pads, buzzers and intercoms – but barriers and boundaries seem to be more integral to our lives than ever before. One of the set readings for Rogation Sunday on 1 May was from Paul's second Letter to the church in Thessalonica (2 Thessalonians ch 3 v6-13) which talks about how important good relationships are but how easily they go awry. Interestingly the last teaching Jesus gave us was to love one another, a gift of peace. And for there to be peace we need to know our boundaries and roles. Rogation Sunday was traditionally the time when parishes marked their boundaries to ensure all knew their responsibilities – who said high hedges make good neighbours?

There are good boundaries, like those placed round marriages to help and support, round children and vulnerable adults and there are those that demark areas of responsibility in our civil and church life. But there are bad boundaries too, like those that make this group or organisation,

## The April Rural Coffee Caravan Meet Up.

It was a drab, cold and miserable day outside, but toasty in the Village Hall for April's Rural Coffee Caravan Meet Up. Gary (from the RCC) had put out loads of Royal memorabilia for us to look through and reminisce over, including some old decimal coins. It made me remember my first pocket money was a threepence piece and I bought what in those days was a Marathon bar (now a Snickers) from the corner shop. These days if I want a bar of chocolate I have to walk to Rattlesden or Finborough to get one (which of course justifies the calories!).

We sat around scoffing delicious chocolate cake or lemon and orange cake and putting the (Buxhall) world to rights, including:

- How to get a reasonable speed of Broadband (answer: use Superhero which comes via St Mary's church tower).
- Disappearing footpaths... and foot path signs – do we need to make sure that they are all signposted properly so you don't end up inadvertently wandering around where you shouldn't?
- Dog poo bins. Why are there so few around, where else do they need to be sited?
- Buxhall based exercise/relaxation classes – who might be interested in Pilates, Yoga or Tai Chi, Nordic Walking or other forms of exercise or relaxation (if you are, do let me know).
- Who enjoys Barbequing? A team of BBQ'ers is starting to be put together for the next Church fete.
- What needs to be done to improve the children's play area?

A couple of us have decided we will go round the Finborough Open Gardens together this year – every year we each think we will go and put it on our individual calendar but never seem to quite make it. This year it should be a different story... and this has only happened as the result of meeting and chatting at the Coffee Caravan.

Do come and join us at the Caravan Meet up Age is no bar (we had our youngest attendee today at 6 months old). Plus there is a TON of info available on everything under the sun in Suffolk. If you have got a question, the answer will be in the Caravan somewhere!

Glenda Price from the Stowmarket Sugarcraft Club made the creation of amazing sugar paste flowers look deceptively easy at our April meeting. Those of us who have tried to master the craft know that it is much harder than she made it look.

The June meeting will be our Annual Garden Party which this year will have a royal red, white and blue theme to celebrate the Queen's birthday.

Our next meeting at the Village Hall on 20 July will again have a royal theme with speaker Ken Stone talking about the 'Royal Year'. We meet on the third Wednesday of each month at Buxhall Village Hall at 7.30pm. New members and visitors are always welcome.

*Cont. from p 3: From the Rectory*

this nation or that, think they are better than another and denigrate others for not having the same privileges of birth or contact. There is a whole debate here on nation states and the EU which I will not enter, but I hope that all will use their democratic right to cast their vote.

At Pentecost, just celebrated, the Spirit of God speaks into this pot of conflicting loyalties and mind-sets begging that we might recognise each other locally nationally and internationally as made in God's image. Shall we thank God for showing us our responsibilities to community, loved ones, the newcomer and the stranger? Shall we ask for the Spirit of God to help us support and honour them? And shall we ask God which boundaries need to be demolished because they are based on fear, arrogance, ignorance and thoughtlessness?

With all good wishes,

Revd Chris

## Great Finborough and District Garden Club

They say that gardeners are never satisfied but none of us could complain at the weather we have been having of late, even though it seems set to be cooler for a little while now.

The AGM, Bring and Buy Plant Sale and Social on was held on 12 May and attended by 28 members of the club. They had a good selection of plants and seedlings to choose from and a choice of delicious homemade cakes to go with their coffee. The business part of the meeting progressed smoothly and the Treasurer revealed that we had been able to donate £1000 to St Andrew's church for the Loo Fund as a result of Open Gardens and the profit from the purchase of bird seed resulted in a series of smaller donations to deserving projects around the village.

The meeting also confirmed that St Andrew's Church will be the recipient of the funds raised by Open Gardens 2016, again as a contribution to the refurbishment fund.

Open Gardens will be held on Sunday 3 July from 12.30 to 5.30pm. The programme has almost been finalised, however, anyone interested in allowing us to include their garden—it does not have to be large—should let Mary Smyth know. Those opening their gardens will receive an invitation to an exclusive and select Garden BBQ, provided by the committee "on the President's Lawn" on 2 July.

The event following Open Gardens will be the club Summer Social and BBQ at the Little House by kind invitation of Pat and Peter Turner. This will be on 28 July from 7.00pm and details will be circulated later.

Members are reminded that annual subscriptions are now due. Thank you.

Finally, if you are interested in joining the garden club or would like to join us for any event you will be very welcome. Membership is only £15 per household per year or £2.50 per individual for a single meeting.

## News from your District Councillor - John Matthissen

### Regime change

Councillor Nick Gowrley has taken over as Leader of the Council, following Councillor Haley standing down at the Annual General Meeting. With the Chief Executive giving three months' notice of her departure to Kingston upon Thames, there is a complete change at the top taking place. I am hoping this will bring about a more participative style of working in due course.

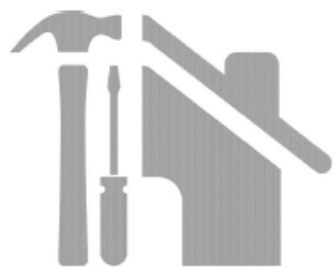

### Household Waste Recycling Centre

With effect from 1 June the site at Stowmarket (and indeed Centres all across Suffolk) will be closed every Wednesday. The extended opening hours on Sundays (9.00am—5.00pm) and Bank Holidays, together with late opening on Thursday evenings (up to 7.00pm) are more positive changes throughout the summer months.

Currently the Stowmarket site is achieving 80% recycling and re-use and of course I encourage all of us to use the site and especially its many recycling skips, as this will always show a saving for council tax payers compared to material going into either black bins or the landfill skip at HWRC.

## Annual Report of Buxhall & District Community Council July 2015 – June 2016

As most of you are aware, I was going to resign as Chairperson due to work commitments. However I was persuaded to carry on and was re-elected accordingly. The Buxhall Community Council continues to thrive in the village and I thank the committee for all their hard work and support throughout the year. I would also like to take this opportunity to thank all of you who **have** supported our events.

The traditional 'Produce Show' in August 2015 went ahead as usual and it was pleasing to see that entries were up on previous years. However, we look forward to having more children's entries for 2016. A **HUGE** thanks to Hubert Mitson for his amazing auctioneering skills to sell off all the produce. The overall profit was £427.94.

The 'Bangers, Beans and Bingo' held on the 17 October 2015 exceeded expectations in numbers again. Excellent cash prizes and super value for money food seem to be a good incentive to attend. For this reason another successful evening was had by all again on 27 February 2016. Whilst we keep all costs to a minimum these events still made an overall combined profit of £218.

The firework Display on 7 November 2015 was well attended with the BBQ being a sell out! The food (purchased from Grange Farm Butchers) is of a very high standard. We would like to take this opportunity to say a huge thank you to Robert Tomlinson for the use of his premises, Damien Nunn for helping with the setting up of the fireworks and everyone else who helped in any other form. An overall profit of £452.45 was made.

Unfortunately, the 'Plodders & Ploughman's' did not go ahead as scheduled on 24 April 2016 due to lack of numbers.

**Future events** Produce Show, Saturday 27 August 2016  
Bangers, Beans & Bingo, October 2016 (date tba)  
Firework Display Saturday 5 November 2016

We were very pleased to be able to donate **£100** to Gt. Finborough Primary School towards the purchase of new 'Guided Reading' books for the Year 6 children. We also sponsored the main prize of **£50** at the 'Bangers, Beans & Bingo' events.

## Buxhall Produce Show 2016

Buxhall Produce Show will be held this year on Saturday 27 August at Buxhall Village Hall. Below is the recipe for the one of the cakes which in case all the bakers out there want to try the recipe before the Show.

### Upside Down Gingerbread and Pear Cake

Ingredients:

300g plain flour	60g brown sugar
1½ teaspoons bicarbonate of soda	2 (415g) tins pear halves in syrup, well drained
2 teaspoons ground cinnamon	100g caster sugar
2 teaspoons ground ginger	120g butter, softened
1 teaspoon ground cloves	1 egg
½ teaspoon salt	235ml treacle
60g butter	235ml hot water

### Method

Preheat oven to 180°C/Gas 4. In a bowl, lightly mix the flour, bicarbonate of soda, cinnamon, ginger, cloves and salt until thoroughly combined.

Place the 60g of butter into a 25cm loose bottomed or spring form baking tin; place in the oven and allow to melt for a minute or two. Sprinkle brown sugar over the melted butter. Pat the pear halves dry with kitchen paper, and cut each half into 3 slices lengthways. Arrange the pear slices in a spiral pattern on top of the brown sugar. Without disturbing the arranged pears, lightly grease the inside of the tin to prevent sticking later.

Beat the caster sugar and 120g of soft butter in a mixing bowl with an electric mixer until creamy; beat in the egg, then mix in the treacle. Mix the flour mixture into the treacle mixture, then stir in the hot water. Pour the cake mixture into the tin on top of the pear slices.

Bake the cake in the preheated oven until a knife inserted into the cake comes out clean, about 45 to 50 minutes.

Allow to cool completely before inverting on a serving dish and removing the baking tin.

**NB** Some tins may need lining to avoid the butter and brown sugar mixture leaking.

### Candlestick Club

A very pleasant day was had by all on the first outing of the year for the club. We combined with Onehouse and Harleston and close on 40 members enjoyed one of Katie Ellis's mystery trips. Going up the A12 to Norfolk, we turned off left at Yoxford and found this Antique Garden Centre. A delicious buffet lunch had been laid on with plenty to go round for all. A look round some old beach huts and gardens, then home to Buxhall by 4.00pm. Well done Katie and Maurice (the driver), where do you find them?

Our June outing is to the Westhorpe Farm Museum. This is on Thursday 9 June leaving Great Finborough at 9.45am, Buxhall 9.50 and on to Harleston for 10.00am. We are then proceeding to a pub lunch. Cost is £7 for coach and pay for your own pub lunch.

Please let Keith (736598) or Katie (736430) know if you wish to go on the outing.

**New members are always welcome!**

Keith

The next **Men's Breakfast** will be held on Saturday 9 July.
